Radiology Program Selection Criteria

Individuals interested in the Radiologic Technology program at St. Luke's College, must apply for admission and meet all College <u>admission requirements</u> of St. Luke's College. In addition, applicants must complete eight (8) hours of job shadowing with a radiologic technologist in a medical center radiology department. At least four (4) of the shadowing hours should be completed at UnityPoint - St. Luke's. Documentation of all shadowing hours is required.

Meeting the minimum admission requirements does not guarantee acceptance to the radiology program. Points are awarded on the following basis:

High School GPA: < 2.5 = 0 points

2.5 – 3.0 = 5 points

3.0 – 3.5 = 10 points

3.5 – 4.0 = 15 points

GED: 5 Points

College GPA: < 2.3 = 0 points

2.3 – 2.5 = 2 points

2.5 – 3.0 = 5 points

3.0 – 3.5 = 10 points

3.5 – 4.0 = 15 points

ACT Composite: < 19 = 0 points

19 – 21 = 5 points

22 – 25 = 10 points

25 or > = 15 points

Number of General Education Courses Completed:

Anatomy & Physiology I and Anatomy & Physiology II = 6 points

All others transferrable college courses = 2 points each

Interview Score: Maximum of 24

Shadow Assessment: Maximum of 25 points

Completion of all Shadow Hours: = 10 Points
